### **Sarasota County working to repair water main break on Lahaina Drive**

Sarasota County Utilities is on the scene of a 3-inch water main break that has occurred on Lahaina Drive. There is no estimate as to how long water service will be interrupted for the 56 residents on Lahaina Drive and Papai Drive affected by the break.

Further information, including whether a precautionary boil water advisory will be issued, will be issued as soon as it becomes available.
