Work begins Nov. 30 to replace Indian Mound Park docks

The three deteriorating docks at the Indian Mound Park boat ramp in Englewood will be replaced starting Nov. 30. The park is located at 210 Winson Ave., Englewood.

At least one boat slip is expected to remain open during construction. There will be temporary closures of all slips while materials are being moved on the site. Boaters are asked to use caution in the area of the ramp during construction.

The contractor is Marine Contracting Group Inc. of Punta Gorda. The \$150,000 project will be funded by a West Coast Inland Navigation District grant. Work is expected to be completed in January 2010.
