## **Kayak, canoe launch area at South Lido Nature Park closes for tree removal**

The launch area for paddle boats at South Lido Nature Park, 190 Taft Drive, Lido Key, will be closed Tuesday through Thursday, June 15-17, while trees are removed to increase safety. The park is expected to reopen Friday, June 18.

The South Lido Nature Park kayak/canoe launch is one of several access points to Sarasota's most popular paddling trails. Kayak and canoe enthusiasts frequently use the park as a starting point for a 1-mile journey through the mangrove tunnels that wind through Big Grassy Lagoon and Brushy Bayou.
