Judge denies request to stop construction at Orioles baseball facilities

12th Circuit Judge Robert Bennett today denied a request for a restraining order to stop construction at the Ed Smith Sports Complex and the Buck O'Neil Complex at Twin Lakes for Baltimore Orioles baseball facilities. The decision means work can continue on the projects.

The Ed Smith renovation project is expected to create over 220 jobs, with a value of \$9.7 million, and produce nearly \$29 million in local expenditures.
