Public invited to discuss Twin Lakes Park construction schedule

Neighbors in the vicinity of Twin Lakes Park and other interested people are invited to attend an informational meeting to discuss the construction schedule for the Buck O'Neil Baseball Complex. The "open house"-style meeting will take place from 5:30-7 p.m. Monday, July 12, in the Green Building (Building B) Conference Room at Twin Lakes Park, 6700 Clark Road, Sarasota. Parking is available adjacent to the Green Building.

People will have an opportunity to meet and ask questions of the construction manager, the project manager, the architect, the Baltimore Orioles and county staff. The construction manager for project is Tandem Construction, which was awarded the contract by the Sarasota County Commission on May 26.

Mobilization and preconstruction activities at the site began in June. The construction schedule and contract set a date of Feb. 15, 2011 for substantial completion of the project, with final completion required by March 15, 2011.

The Buck O'Neil Baseball Complex project includes:

- Renovated and expanded state-of-the-art clubhouse consisting of 17,283 square feet (existing clubhouse is 16,460 square feet), which includes administrative offices, locker rooms, training facilities
- Batting cages
- Maintenance building.

For more information, visit the county's website at www.scgov.net and select baseball from the County A-Z list. Contact the Sarasota County Call Center at 941-861-5000 and ask for Carolyn Eastwood or Jenny Yarabek, or e-mail them at ceastwoo@scgov.net or iyarabek@scgov.net.
