## **Maintenance to affect availability of Sarasota County website**

Late-night Web surfers will experience a temporary unavailability of Sarasota County's website, scgov.net.

Beginning at midnight Sunday, July 11, until 1 a.m. July 12, Sarasota County Enterprise Information Technology staff will perform routine maintenance on the site's server. During that time, visitors to scgov.net may find the site temporarily unavailable for 10 to 15 minutes while the maintenance work is performed.
