County lifts boil water advisory for Gateway Avenue area

Sarasota County has lifted a boil water advisory for the Gateway Avenue area that had affected about 30 businesses and more than 200 residences.

A precautionary boil water advisory is issued for anyone whose water service has been disrupted. That advisory is lifted when bacteriological testing shows water is safe to drink. Residents are being notified that the advisory has been lifted.

For more information, contact the Sarasota County Call Center at 941-861-5000.
